

2008 CHAMBER OF COMMERCE SPONSORSHIP OPPORTUNITIES

The St. Mary Chamber of Commerce is pleased to continue their tradition of creating Business-to-Business social functions for all members and prospective members. This tradition has several objectives we wish to achieve and by working together we will achieve them! Foremost is the opportunity to create a relaxed environment for our members to develop relationships that will increase opportunities for your businesses' growth and prosperity in our parish. By working together, we can create higher visibility for your business and networking opportunities for all members. Please, look at the following scheduled events and see where we can partner for better and more profitable business in the parish.

The following events are tentatively scheduled for 2008. Please check off the month(s) and event(s) that you are interested in sponsoring.
